Re: Clean Harbors Services, Inc.
Notification of RCRA Class 1 Permit Modification

Clean Harbors Services, Inc. (CHSI) is a permitted hazardous waste treatment, storage and disposal (TSD) facility located at 11800 South Stony Island Avenue in Chicago, IL. CHSI currently operates under a RCRA Part B permit issued by the IEPA on September 30, 1993.

On February 3, 2003 CHSI requested a Class 1 permit modification to the facility's Contingency Plan including adding a new first alternate emergency coordinator and moving the former first alternate emergency coordinator to primary emergency coordinator. This Class 1 modification was approved by IEPA on March 12, 2003.

This notice is being sent to you in accordance with IEPA's Class 1 permit modification regulations in 35 IAC 703.281(a)(2) which require a notice of the modification be sent to all persons on the facility mailing list within 90 days after the change is put into effect or within 90 days of IEPA approval.

If you have any further questions regarding this notice, please contact me at (773) 646-6202, x233.

Notice is hereby given to all interested persons that Clean Harbors Services, Inc. (CHSI), a wholly-owned subsidiary of Clean Harbors, Inc. and a permitted hazardous waste treatment, storage and transfer facility located at 11800 S. Stony Island Avenue in Chicago, IL is reapplying for a RCRA Part B Permit with the Illinois Environmental Protection Agency. The current Part B Permit expires on November 4, 2003. The changes to the permit application involve informational changes (e.g., name changes and existing status changes) and the addition of three new USEPA hazardous waste codes (K176, K177 and K178). CHSI is not requesting additional tank or container storage, or new processes beyond what is authorized under the current RCRA Part B Permit.

Copies of the Part B Permit application are available for review during normal business hours at CHSI's business office at 11800 S. Stony Island Avenue in Chicago, IL. A copy of the application is also available at the Olive-Harvey College Library at 10001 S. Woodlawn Avenue in Chicago, IL. The permittee's compliance history during the life of the existing permit is available from the Agency contact person. Information regarding application viewing time and place, CHSI's existing permit, applicable regulatory requirements, permit modification procedures and CHSI's compliance history may be obtained from Ms. Mara McGinnis, IEPA, 1021 North Grand Avenue East, Springfield, IL 62794-9276 or at (217) 524-3300.

This notice is provided to you as an addressee on the CHSI mailing list maintained by IEPA.

If you have any questions regarding this notice, please contact me at (773) 646-6202.

Sincerely,

James R. Laubsted

PUBLIC NOTICE OF HAZARDOUS WASTE PERMIT MODIFICATION

The Illinois Environmental Protection Agency (IEPA) and U.S. EPA hereby give notice of intent to jointly modify the existing Resource Conservation and Recovery Act (RCRA) and Hazardous and Solid Waste Amendments (HSWA) permit held by Clean Harbors Services, Inc. The facility's mailing address is 11800 South Stony Island Ave., Chicago, Illinois 60617. Clean Harbors treats hazardous waste-contaminated wastewaters and blends hazardous waste fuels on-site. This modification would allow Clean Harbors to operate three additional process units (hydropulper, drum shredder and metal washer) and their ancillary equipment to facilitate their fuels blending and scrap metal recycling activities. In addition, the modification would allow temporary conversion of an existing bulk flammable liquid tank farm to blended fuels process storage and metal wash solvent storage until a new, four-tank flammable liquids tank farm could be constructed, and allow construction of a two-truck loading/unloading pad that could alternatively be used for container storage. Other changes proposed by this modification include the redesignation of areas currently designated as paint can compactor and waste paint storage areas. These areas are instead to be used for the drum shredder and associated container storage.

Interested citizens are invited to review copies of the permit modification application, draft permit modification decision documents and related fact sheets at the following location:

Olive-Harvey College Library
10001 South Woodlawn Ave.
Chicago, IL 60628

Interested citizens may submit written comments on the permit decision documents during the 45-day comment period. Send all comments to the Public Involvement Coordinator listed at the end of this Notice postmarked by midnight May 21, 2001. In response to public requests or at the discretion of the permitting agencies, a public hearing can be held to clarify one or more issues concerning the draft permit decision. A request for a public hearing must be made in writing and must state the nature of the issue(s) to be raised at the hearing. Written requests should be sent to the Public Involvement Coordinator listed below. Public notice will be issued 45 days before any hearing.

GEORGE H. RYAN, GOVERNOR

All comments submitted will become part of the Administrative Record and will be evaluated by Illinois EPA and U.S. EPA in making the final permit decision. The Agencies will respond to comments on the draft permit documents. Anyone who submits written comments will be notified of the final permit decision.

The Illinois EPA is authorized to administer significant portions of the RCRA/HSWA program in Illinois. U.S.EPA administers certain portions of the program governing organic air emissions. HSWA (amendments to RCRA) includes requirements for facilities seeking a permit to perform corrective actions for any past releases of hazardous constituents. The Agencies welcome information from the public that describes any such releases.

In addition to the repository location, the permit application, the state and federal EPAs' draft permit decisions, and all data and related information submitted by the applicant to the Illinois EPA as part of the Administrative Record, are now available for public inspection by appointment only Monday through Friday between 9:00 a.m. and 5:00 p.m. Please telephone the Public Involvement Coordinator listed below for an appointment to view the documents at the Illinois EPA's Springfield Headquarters:

LEGAL NOTICE

Notice is given to all interested persons that Clean Harbors Services, Inc. (CHSI), a wholly-owned subsidiary of Clean Harbors Inc. and a permitted hazardous waste treatment, storage and transfer facility located at 11800 South Stony Island Avenue in Chicago, IL has filed a Class 3 permit modification with the Illinois Environmental Protection Agency (IEPA) for authorization to add a lamp crushing machine to Unit 25 to crush fluorescent and HID light bulbs allowing volume reduction as well as separation of materials for recycling.

Pursuant to 35 IAC 703.82, CHSI announces a 60-day comment period beginning April 22, 2004 and ending June 21, 2004 during which all interested parties have the opportunity to review the modification request and to submit written comments to the IEPA. CHSI will hold an informational public meeting open to all interested persons to discuss the proposed modification. The meeting will be held on May 18, 2004 from 7:00-8:00 P.M. at the Chicago Public Library - Hegewisch Branch at 3048 E. 130th Street in Chicago, IL.

Copies of the modification request are available for review during normal business hours at CHSI's business office at 11800 S. Stony Island Avenue in Chicago, IL, at IEPA's office in Springfield, IL, or the Chicago Public Library - Hegewisch Branch. The permittee's compliance history during the life of the permit being modified is available from the Agency contact person. Additional information on the modification request is available by contacting Mr. James R. Laubsted at Clean Harbors Services, Inc., 11800 S. Stony Island Avenue, Chicago, IL 60617, or at (773) 646-6202. Information regarding application viewing time and place, CHSI's existing permit, applicable regulatory requirements, permit modification procedures and CHSI's compliance history may be obtained from Ms. Mara McGinnis, IEPA, 1021 North Grand Avenue East, Springfield, IL 62794-9276 or at (217) 524-3300.
